

HOUSTON COUNTY MEDICAL SOCIETY

January 31, 2026

Dear Student,

Dr. Hudson Turner established the Wilson Hudson and Sarah Elizabeth Turner Trust for students from Southeast Alabama pursuing a Doctor of Medicine degree. The scholarship covers normal expenses of a student to include tuition, books, food, lodging and clothing as determined by the school the student is attending. The amount of each scholarship is determined by the amount of funds available for distribution as determined by current Trust earnings. In 2025, students received approximately 60% of the total Estimated Cost of Attendance. Students attending out of state schools will receive the amount determined by calculating the average costs for students at the two in-state public medical schools. Scholarships will be awarded based on need, character, academic record and promise of success in the field of medicine. Students receiving the scholarship must remain in the top 50% of the class. Pre-medical and medical students from Houston, Dale, Geneva and Henry counties are eligible.

All of the information needed to apply for the Wilson Hudson Turner and Sarah Elizabeth Turner Medical Scholarship is attached.

The application should be sent as one complete application. No individual parts will be accepted. Mail the complete package to: Turner Scholarship Committee, Houston County Medical Society, at the address below. Applications must be received by Friday, May 1, 2026 at 5:00 p.m. No applications will be accepted after that time.
